

# Young Carers at Berrycoombe School

Issue 1

June 2018

Hello Everyone,

I am now back off of maternity leave and I am excited to be working with the Young Carers that attend Berrycoombe School again.

It has taken a long time but I can now let you know that as a school we have received our Bronze Young Carers in School Award. This has taken a lot of work and effort but it is fantastic that we can now be recognised for the support that is given to the Young Carers and for the Young Carers to be recognised for all of their support that they give.

There have been some new young carers joined us in the last year and it is great to have them come along. Our group is held once a week and the Young Carers can come whichever weeks they want. My details are at the bottom of this newsletter, if you have any questions/queries or want to let us know about your child then send me an email or give me a ring.

Kind Regards

Claire Johnson- Young Carers Co-ordinator
