# Curriculum Intent

... Why We Do, What We Do.

# ... How Do I Use This Document?

This document outlines the topics to be taught in our rolling programme and the memorable moments the pupils will experience during each topic.

Accompanying this document is the individual subjects' (History, Geography, Art and Design and Technology) curriculum and skills progressions, and the individual topics' knowledge schemas and mind maps.

Diversity and equality will be taught discretely throughout the curriculum and the suggested links to this for each topic will be outlined in the individual subjects' curriculum and skills progressions, and the individual topics' knowledge schemas and mind maps.
